WHITE HOUSE CHRISTMAS TRIP

WAC is VERY excited to announce that we have applied for a visit to the Trump White House to see the Christmas Decorations in December. As you know, the decorations are different each year. For those of you interested, you must respond IMMEDIATELY!! I must have ALL our information to the Secret Service perhaps as early as **November 10, 2025.**

We have requested the dates of December 4, 9, or 11. However, that doesn't always mean anything. The White House will select one day in December. We have NO say in the matter. The White House assigns a Tour Time (8-11 am). We have NO choice. If we are given an 8 am tour time, you MUST be willing to meet the bus and depart as early as determined by our bus company (perhaps 4:15-5:00 am).

In order to register:

1. You must be a W.A.C. member or the Guest of a member. If there is a tie for available tickets, first come, first serve. Each Member may register themselves and can have no more than ONE guest: spouse, friend, family member.
2. The White House will approve approximately 36 people from W.A.C. The first 36 people to respond will be selected. Once you register, you cannot cancel and get your money back. We are not allowed an alternate's list. So, if you cancel, you have taken the spot someone else would have filled and you **must pay the \$70.00 for holding the spot. This is the BUS cost per person.** White House tour is FREE.
3. You MUST be able to participate on the day selected for us and leave as early as designated. (See above.) If you cannot meet this requirement, do NOT register.
4. You must email me your information needed for the Secret Service (#5 below) to WomenForTheAC@gmail.com ASAP!
